Calhoun's Gator Chase (MAY 5, 2024)

HOTEL SURVEY - MUST BE COMPLETED BY ALL COMPETITORS

The City of Victoria is a major sponsor of the Calhoun's Gator Chase. In return for the sponsorship, the City has asked that all marathon competitors and team captains record the number of hotel nights that they, their family and/or friends stayed in Victoria hotels while attending the event.

Example: If the competitor/family or friends stayed in 1 hotel for 2 nights = 2 hotel nights and a different family member or friends stays 1 hotel for 1 night= 1 Total – 2 + 1= 3 hotel nights

Please fill-out the following:

Boat # _____ Home town of competitor _____

Total number of hotel nights stayed in Victoria hotels _____

**** If you are competing on a team, hotel nights recorded should not account for hotel nights recorded by another team member or team captain on their survey form. Example: one team member enters 2 hotel nights on their survey and another team member enters 1 hotel night on their survey. The two surveys would be turned separately for a total of 3 hotel nights.**
